Cornwall Councillor Report

Cornwall Councillor Martin reported that he had met today with Cornwall Council's Nigel Blacker who hopes that he may have sourced a footbridge for Lostwithiel. They also discussed the railway sidings and whilst any plans should not inhibit branch line options it is hoped that some areas can be made available for parking. Cornwall Councillor Martin further advised that he is now chasing Cormac for the final grass verge cut of the year.

It was **resolved** to support this application.

PA18/08705 17 Fore Street Lostwithiel
Change of Use for ground floor shop units from A2 to A1 and for first and second floors from A2 to residential use C3.

It was **resolved** to support this application.

PA18/08396 The Higgins Press, South Street
Change of use from a mixed use residential and small retail unit to a single residential dwelling house.

It was **resolved** to support this application.

PA18/08552 Land West of Lostwithiel School,
New Field Tanhouse Road
Outline application for residential development to include details of access and layout with all other matters reserved.

It was **resolved** not to support this application for the following reasons: -

1. The proposed development site is outside the proposed Lostwithiel Neighbourhood Development Plan Development Boundary.
2. Demand for open market housing in Lostwithiel is satisfied by the number of houses coming on the market and planned development on areas designated for development within

the proposed Lostwithiel Neighbourhood Development Plan development boundary.

3. It is considered that the highway servicing Uzella Park has insufficient capacity to meet the additional traffic movements.
4. It is considered that Tanhouse Road struggles to cope with existing traffic flow and that the exit from Tanhouse Road to the main road is a difficult and dangerous junction.
5. An owl survey does not appear to have been undertaken and the survey submitted does not specify the type of bats.
