### **HBC35/19 Ashburton visit**

Councillor Guiterman presented a written report on the visit to the Ashburton Arts Centre by some Committee members.

The report and the visit highlighted to Committee members the importance of getting the community 'on board' with draft proposals at an early stage and the types of events/uses that could work in the buildings.

It was decided to agree to Councillor Guiterman's suggestion to visit the Ivybridge Watermark Centre and Councillor Guiterman's offer to make the arrangements with Ivybridge Town Council was gratefully accepted by the Committee.

### **HBC36/19 Outlining the potential uses for each building**

The table produced by the task and finish group received the consideration of the Committee. It was decided to ask the task and finish group to revisit the table to take the colour coding a step further and to add an outcomes element.

It was further decided that the next meeting should be a short meeting or not a Committee meeting but a meeting to brainstorm ideas to work out how the list from the table would work in practice in the buildings.

The objectives are: -

- a) to expand the outcomes and come up with a finished list,
- b) have a rough idea of the physical rooms and their uses
- c) draft a written update to Council
- d) hold a consultation exercise with the town.

### **HBC37/19 Items for next agenda**

Consider ways to publicise the project & to building public support and engagement.

The meeting closed at 8.30pm
