

In line with Government restrictions all Library sites are now closed, and the mobile library service has ceased until further notice.

Library members who have books or other materials on loan should keep them at home. They can be renewed as many times as needed online [www.cornwall.gov.uk/library](http://www.cornwall.gov.uk/library) or on the 24 hour telephone line 0845 6076119 (please check your contract for charges to 0845 numbers). But overdue charges will be waived during this time.

Some reminders for returns and renewals may have been issued before the closures so please ignore these notifications. Please do not leave bags of books etc. outside libraries or post books through letterboxes. Thank you for keeping them safely at home for the time being.
