

# Public event:

## Par desalination project

South West Water would like to invite you to join us at our public information events on our proposals for a new desalination plant in Par.

These events will be a drop-in information event where you can talk to our team and understand more about our proposals and we can get your thoughts and feedback.

Join us at:

**Monday 11th December, 16:00 – 19:00,  
Alexander Hall, Middleway, St Blazey, PL24 2JH**

**Tuesday 12th December, 16:00 – 19:00,  
Lostwithiel Church Rooms, Church Ln, Lostwithiel, PL22 0DA**

South West Water is investing to improve the security of Cornwall's water supply to ensure it has sustainable, resilient, climate independent water sources in the future. As part of this investment, we are proposing to deliver a new desalination plant which will provide high-quality water when needed. This will allow us to enhance Cornwall's water supply and ensure access to safe drinking water at all times whilst also protecting the environment.

We very much look forward to seeing you at the event. Should you have any questions in the meantime, please feel free to contact us at [Info@SWWdesalination.co.uk](mailto:Info@SWWdesalination.co.uk)
