

# LOSTWITHIEL TOWN COUNCIL

**For around the price of an extra cup of coffee each month your Town Council can manage its new responsibilities and make long-awaited improvements.**

Every year Lostwithiel Town Council must set a budget which is a small portion of the Council Tax you pay to Cornwall Council that comes back to the Town.

**More and more responsibilities are being handed down to your Town Council without financial support.**

This year the Town Council has decided to increase the budget to take into account these additional responsibilities.

**Your Town Council is also working hard to make savings where possible.**

For more details of the Lostwithiel Town Council budget, income, expenditure and exciting new projects please see
