Tuesday 09 June 2020**

Cornwall Councillor Report

Cornwall Councillor Martin began his report with a massive thank you to everyone for looking after one another in such a difficult time. He felt the speed at which the community came together was 'spot on'. Cornwall Council has worked hard to provide a lot of extra services and at the same time has kept core services operational i.e. bin collection.

Cornwall Councillor Martin also explained that in the light of resident feedback last year the grass cutting regimes on the grass road verges have been changed. So far only the junctions have been cut, over the next two-week period the first cut will be undertaken. If any junctions have been missed, please do let CC Martin know.

Cornwall Council Social Care department is working incredibly hard to look after the most vulnerable in Cornwall. There have been 56 Covid 19 outbreaks in care homes in Cornwall with over 200 staff members affected. Last week saw 3 new Covid 19 cases in Cornwall, this week the figure is 5.

Cornwall Councillor Martin also advised that Cornwall Council has been efficiently forwarding Covid 19 emergency funding to Cornish businesses. Any enquiries regarding funding should be directed to Cornwall & Isles of Scilly Growth hub. Cornwall Council is offering a one stop phone line for anyone in need of mental health support.

Finally, Cornwall Councillor Martin advised that he has received confirmation that the total funding package is now in place for the Lostwithiel Railway Footbridge.

003/20 Virtual Meetings – Annual Meetings & 6-month rule

Council noted the following guidance received from Cornwall Association of Local Councils pertaining to the Local Authorities and Police and Crime Panels (Coronavirus) (Flexibility of Local Authority and Police and Crime Panel Meetings) (England and Wales) Regulation 2020 specifically relating to Annual Meetings & Councillor 6-month rule.

Annual Meeting – There is no need to hold an annual meeting until May 2021. A council may at a meeting decide to set a date for an annual council meeting before this date. -A council cannot change the membership of committees or outside bodies without holding an annual council meeting. Committee members can only be removed from a committee as a recommendation from the Monitoring Officer on a code of conduct decision and CALC believe that this also applies to membership of outside bodies.

Local Councillors 6-month rule – None of the regulations published regarding local council meetings in March and April affected the six-month rule and period of absence.

The six- month period begins with the date of last meeting attended by a member. There is no way to vary the legislation and the six-month rule therefore applies across council meetings regardless of their format.

Where a council does not meet regardless of format, the six-month rule continues to apply. Should the council not meet within six months of its last meeting, all members of the council will be subject to the six-month rule which may affect their seat on the council.

004/20 Apologies of Absence.

Apologies for absence were received and accepted from the following Councillors: Councillor Duffin.

09/20 Financial Matters

- i. Any payment which part of an agreed contractual obligation i.e. (salary and on costs, contractors, and suppliers). This is because failure to pay would be a breach of contract or the individual payment is part of budgeted expense.

Comment submitted

Thank you for notification of this planning application and for the advice that it will be decided under delegated authority.

Lostwithiel Town Councillors wish to make the following observations -

(i) These trees are in a very prominent town centre location. Having looked at the application on CC's website it does not appear that CC Tree Officer has been

asked to comment. Lostwithiel Town Councillors would prefer that the views of CC's Tree Officer are sought prior to a decision on this application.

(ii) It is very difficult to see from the photos submitted, the full height of the trees. It is therefore also difficult to accurately judge the proposed percentage reductions.

Comment submitted

Lostwithiel Town Council does not support this application. Council Members wish to oppose on the following basis: -

a) The proposed development site is outside the Lostwithiel Neighbourhood Plan Development Boundary.

b) The proposed housing is not in accordance with Neighbourhood Plan Policy HH2e) which reads as follows:- 'All affordable housing to be delivered in the neighbourhood area should be visually indistinguishable from the full market priced housing and of a type, size and

tenure that meets the local housing needs of the neighbourhood area.'

c) The proposed site and immediate environs have insufficient highways capacity to accommodate the increase in the number of vehicles needed to serve these properties. Additional vehicles will exacerbate traffic and parking problems and potentially restrict access for emergency vehicles.
