

Free help for Businesses in the South West

Did you know?

Flooding is the **most likely risk** to cause damage and disruption to UK business property

Up to **40%** of businesses fail to re-open after being flooded

We are hosting a series of **FREE** workshops for businesses in **Devon, Cornwall & the Isles of Scilly** to increase awareness of how **Property Flood Resilience (PFR)** could be beneficial to your business.

Our 5 part brief Property Flood Resilience (PFR) Climate Champion Workshops will run online and are well spaced between **Autumn 2020 to Spring 2021** with a number of dates for you to choose from.

What will I receive?

- **1:1 look at your businesses specific flood risk with a specialist.**
- **Access to a PFR consultant and contractor with a survey for protection equipment at your site.**
- **A solution to getting more affordable flood insurance.**
- **Certification to unlock access to grants to purchase and install the selected appropriate PFR measures identified to better protect your business.**

Please be aware we have a **limited number** of spaces on our **FREE** workshops so please book ASAP to avoid disappointment.
