

Lostwithiel Town Council Meeting Tuesday 03 November 2020

Cornwall Councillor Report

Cornwall Councillor Colin Martin reported that he was looking forward to hearing the Council's views on planning application PA19/11224 St Bartholomew's Meadow which will provide much needed affordable housing in Lostwithiel. He also reminded Council that the proposed changes to the planning system, could mean that in the future new developments wouldn't need to include any affordable housing at all.

Cornwall Councillor Colin Martin also reported that Cornwall Council's Public Health team are doing a brilliant job of following up every single Covid case that is reported to them. However, only 15% of test results are being turned around in under 24 hours. He will be pushing at the Cabinet Meeting for Cornwall Council and local NHS to take over the testing as he feels that the national system is failing. Colin Martin also reported on a local outbreak in Lostwithiel and that he hopes that people are staying safe and doing everything they can to help protect the whole community.

Cornwall Councillor Martin stated with the upcoming lockdown this causes a lot of financial uncertainty. Over the October half term Councillor Martin used some of his Community Chest funding to provide free meals to children eligible for free school meals.

Cornwall Councillor Martin advised that if the Government does not

provide free meals at Christmas, he will want to see Cornwall Council providing this service.

Cornwall Councillor Colin Matin has been chasing for an update on the footbridge at the railway station. He reported that the good news is that the bridge is going ahead and funding is in place and the delays are due to a significant amount of work/surveys are going on behind the scenes.

200/20 Planning applications

a)

PA19/11224

Land known as Bartholomew Meadow,
Grenville Road, Lostwithiel
Reserved matters application for access,
appearance, landscaping, layout and

scale, following outline approval PA18/05607 dated 13.08-2019 for the construction of 47 residential units to include affordable housing.

It was **resolved** to support this application in principle however the Council's support is dependent on the reinstatement of the tank for run-off water with a one way valve and the following being addressed:-

a) Written scheme of investigation is provided to comply with Condition 4 of the outline planning consent namely Archaeology and a full report on the very old Oak tree.

b) A full drainage strategy is prepared for the development. Rationale to alleviate the potential for run-off water to exacerbate the flood risk to properties further down and closer to the Town centre

c) Serious consideration is given to putting a footpath into the town on the same side of the road as the housing development. Rationale is A390 is a very busy road to cross with young children

d) The Police consultee comments are implemented

e) The Principal Public Space Officer comments are implemented regarding the southern boundary of the development.

f) The Section 106 education provision consultee comments are implemented

g) The Highways condition to secure the access arrangement works including off site highways improvement measures, extending pedestrian footway/cycle path westwards between site and junction of B3268 is implemented

h) To replace any Section 106 play area provision with Section 106 Highways provision to pay for a speed limit reduction from Downend through to Community Centre where the existing 30mph limit currently finishes. Rationale to make the road safer. Suggested amount £35,000

i) A condition of the planning consent that these properties fulfil local affordable housing need i.e. affordable housing need for

Lostwithiel residents or people with an existing connection to
Lostwithiel

Votes – 7 in favour, 3 objections.

Deputy Mayor Ross left the meeting.

PA20/08666

38 Uzella Park Lostwithiel
Proposed erection of a replacement
porch and a two-storey side
extension to the dwelling with a
variation of condition 2 of decision
PA19/04864 dated 05/07/2019.

It was **resolved** to support this minor variation to condition 2 of
decision PA19/04864 dated 05/07/2019.
