333/25 Planning applications

a)

PA25/06001

Terras Hill Retaining wall South east of 2 Mount Pleasant Place Lostwithiel
Soil nailing reinforcement to retaining boundary wall.

It was **resolved** to support this application on the basis that the recommendations from Cornwall Council Forestry are conditions of the planning consent.

Proposer: Cllr Henderson

Seconder: DM Guiterman

Vote: 13 in favour

PA26/00553

Land to East of Terras Hill Lostwithiel
Permission in principle for proposed development of up to 9 dwellings (minimum 1, maximum 9)

It was **resolved** not to support this application. The site access is inadequate for the number of houses, it is development in open country side, the development would be very visible and would interrupt the panoramic green ring around Lostwithiel just below the skyline which is highly valued by residents in a recent

NPS survey. Furthermore there is potential for loss of trees and Cornish hedgerows.

Proposer: Cllr Guiterman

Seconded: Cllr Henderson

Vote: 13 in favour

PA26/00844

Newham Park, Newham Lane Lostwithiel
Construction of dwelling in lieu approved barn conversion Class Q (amended design) with variation of condition 2 in respect of decision PA23/04889 dated 04.10.23

It was **resolved** that Lostwithiel Town Council remains concerned that the external lighting will have an adverse impact on established wildlife and notes that the biodiversity credentials of the building have been reduced with the removal of the green roof.

Proposer: Cllr Henderson

Seconded: Cllr Guiterman

Vote: 13 in favour

b) None

c) Proposed development off Pendour Park Public Consultation

It was decided to offer the following observations:-

Concern regarding water run-off,

Concern regarding overlooking as many of the Pendour Park houses have a reverse design with living accommodation on the first floor.

Concern over parking requirements (13 parking spaces to be in accordance with the Lostwithiel Neighbourhood Plan)

Has consideration been given to how/where access will be to the remaining agricultural land and run off from the agricultural land?

Has consideration been given to nature corridors and protection of the green panoramic vista under the skyline?

Has consideration been given to widening the access gateway to improve visibility and safety?

Has consideration been given to the existing parking congestion at Barn Park?

334/25 Cornwall Council Chief Planning Officer Advice Note on Homes for All – Guidance for Inclusive Housing Delivery and Build-to Rent Discussion paper -

It was **resolved** not to respond to the Chief Planning Officer Advice Note on Homes for All and to submit the following comments relating to the Build to

Rent discussion paper. Lostwithiel Town Council considers that Cornwall Council should be supporting initiatives that enable renters to get on the housing ladder. Furthermore the Town Council is of the opinion that investment in significant blocks of renting housing by large investment companies will restrict natural movement, people will become static. The model will exacerbate the restrictions currently experienced in the housing market in Cornwall particularly given that the average wage here is much less than the rest of the country. It does little to improve the insecurity of renters.

'None'

Other matters not affecting our opinion which we draw to the attention of the authority –

'The AGAR was not accurately completed before submission for review. The AGAR was returned for box 9 to be amended and this has now been corrected. The smaller authority has taken advice and does not believe it is the sole trustee of the King George V Playing Field, Lostwithiel. However, the Charity

Commission website currently records Lostwithiel Town Council as the sole trustee. The authority must therefore undertake a review of its position and, if appropriate, contact the Charity Commission to request that its records be updated. '
